

Barnsley LiveWell

The quickest and easiest place to find information about health, wellbeing, care and support related services.

Live Well Barnsley is an online service directory containing information about health, wellbeing, care and support related services across the borough.

Developed by Barnsley Council and partners the site brings together a wealth of information about staying well, keeping independent and active, all in one place - making it quicker and easier for you to find.

If you live in Barnsley and have care and support needs or simply want to discover new things to do, to keep active and involved, then go on-line and search Live Well Barnsley.

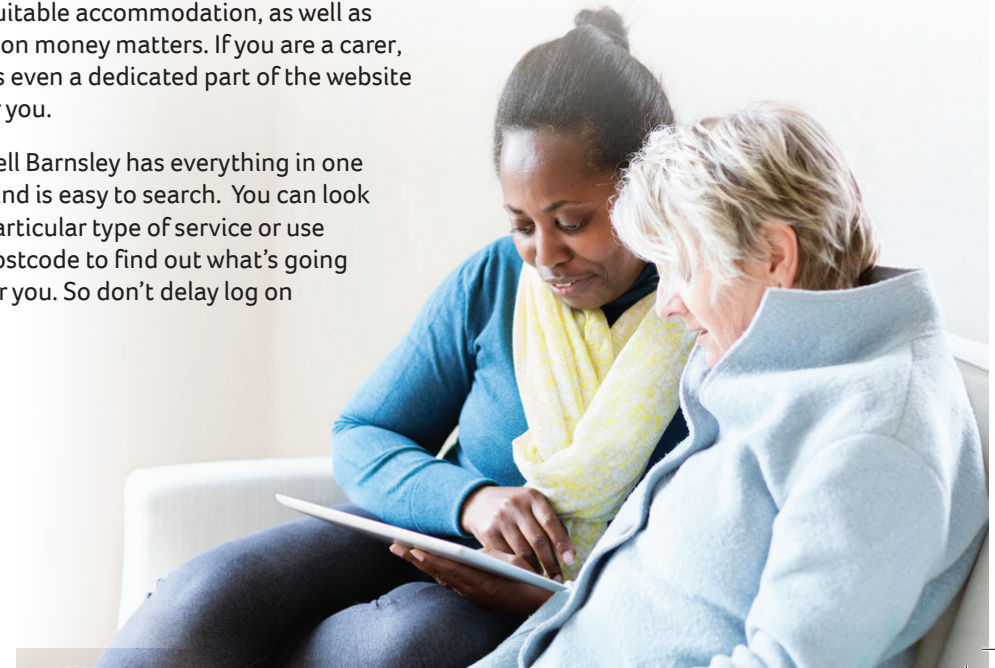

livewellbarnsley.co.uk

Live Well Barnsley is an online directory of services that can help you live healthily and stay independent. It contains information and contact details for hundreds of health, wellbeing and care services that help people to look after themselves, stay independent and get involved in their community. The site is growing all the time with more and more services and activities being added.

Whether you are looking for a social club that caters for your disability, someone to help you with shopping, care at home or you want to join an interest group in your local area, the site will help you to find what you need.

There is also information to help you find and keep suitable accommodation, as well as advice on money matters. If you are a carer, there is even a dedicated part of the website just for you.

Live Well Barnsley has everything in one place and is easy to search. You can look for a particular type of service or use your postcode to find out what's going on near you. So don't delay log on today.
